IMPORTANT NOTICE

Any player that has entered the leagues for this cycle or anyone who wishes to play in the Squash Leagues please read the rules carefully before leaving your details below and they will be entered in the next league cycle.

Rules

Players have four weeks to play everyone in their league, which works out 1 match per week (1 cycle = 4 weeks)

Players are responsible to contact each other and arrange a time and day to play

Players who fail to play sufficient games will be **OMITTED** from the leagues by the league organiser.

Once you've been omitted you will not be allowed to rejoin without firstly speaking to the league organiser.

To make it fair I suggest that;

Player 1 contacts Players 2 & 3

Player 2 contacts Players 3 & 4

Player 3 contacts Players 4 & 5

Player 4 contacts Players 5 & 1

Player 5 contacts Players 1 & 2

Scoring

Best to five games, international scoring to nine points (must serve to win a point) at 8 all, receiver calls set 1 or 2

Points score

After you have played your match you must put your score in the boxes provided.

3-0 = 8-2

3-1 = 7-3

3-2 = 6-4

For example if player **X** beats player **Y** / 3-1 :

League	Contact #	Email	1	2	3	4	5	Total
1	Player X			7				
2	Player Y		3					
3								
4								
5								

At the end of the cycle the TWO highest point scorers will go UP a league and the TWO lowest will go DOWN, except in Premier league where the three players with the highest score will stay in the league. If two players in same division have same score, then winner of their match will be overall winner.

Cost

There is a cost of \$15 per cycle (\$10 to Skillman members). The cost will cover the running of the league and prizes at the end of each cycle, therefore the money will go directly back into the league.

Please pay checks to: **Yale University**

Prizes

Each league winner will receive a **FREE** 45 minute coaching session with Gareth Webber, Level IV Elite Coach and Director of Brady Squash Center

League Organizer

The league organizer will be in charge of any decisions and if you have any queries please do not hesitate to contact me.

Happy Hitting!
